**New Zazzo Makeup FX Airbrush Templates and DVD
By Bradley M. Look**

Zazzo USA, Portland, Oregon, is pleased to announce the release and availability of the new **Makeup FX Templates and DVD (MFX DVD 1) by Brad Look**. Makeup artist **Bradley M. Look** will take you behind the scenes of the Hollywood makeup artistry to demonstrate not only beauty applications using the airbrush, but also how to create alien characters. Using the newly developed **Makeup FX Template Series** he created for **Zazzo**, **The Beauty Ensemble (MFX1)** and **The Character Troupe (MFX2)**, Brad shares valuable information along the way which will help makeup artists airbrush more effectively in the growing age of the High Definition format in the entertainment field. Top makeup artists, such as **Michael G. Westmore**, **Todd A. McIntosh** and **Allan A. Apone**, all agree, *"It's about time someone finally designed airbrush stencils with the makeup artist in mind and shared their award-winning experience. Thank you, Brad!"*
